23rd July 2018

Dear Ms Wood

The National Quality in Careers Standard for Careers Education, Information, Advice and Guidance (CEIAG)

I am delighted to tell you that the Quality Award Accreditation Board met on the 18th July and unanimously agreed that Braybrook & Midpoint should receive the national Quality in Careers Standard, which recognises the high standard of your careers provision. It is a real achievement to go through this accreditation process, and I know how much hard work Debra Brookes put in, so many congratulations.

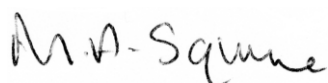

A particular strength was noted by the assessment process in terms of CEIAG being supported by your senior management team who recognise CEIAG as integral for the success of your pupils.

The Prospects' award meets the exacting validation criteria of the national Quality in Careers Standard. This award stands for 3 years until July 2021.

We will be arranging for the Award certificate to be produced shortly, and will also email the national Quality in Careers Standard logo to Debra, which can be used on your paperwork and on your website.

Once again, many congratulations on the Award and thanks to all staff and students for their participation.

Yours sincerely

Michele A Squire
Careers Education Strategic Manager – Prospects
Chair: Prospects Quality Award Accreditation Board
